

CUMULATIVE LIST OF WORDSTEMS FOR ANATOMY AND PHYSIOLOGY 203

David B. Fankhauser, Professor of Biology and Chemistry

28 March 1995, rvsd 31 Mar 98, 22 Mar 01, 22 March 02 (meanings added), 11 April 02, 25 Mar 04, 23 Mar 05

The test on which these wordstems have been presented in past years is indicated with a number to the right of the number.

| | | | | | | | | | | | |
|---------------|-----------------|---------------|----------------------|---------------|-----------------|--------------------|------------------|---------------------|-----------------------|----------------|--------------------|
| a- (1) | without | -cide (2) | kill | gastrin (2) | stomach agent | meio- (3) | reduce | pharynx (2) | throat | steno- (1) | narrow |
| acet- (3) | vinegar | -ciduous (2) | cut | -gen (f) | gives rise to | menses | moon, month | pher- (3) | bear | stetho- (1) | chest |
| acinar (3) | like a grape | cirrh- (2) | yellow | genio- (3) | chin | meso- (3) | middle | phleb- (1) | vessel | stom- (3) | mouth |
| acro- (3) | highest point | cis- (2) | cut | gest- (3) | pregnancy | meter (1) | measure | -phorus (3) | bear | -stomia (2) | mouth |
| adeno- (f) | gland | -clavian (1) | key | gingiv- (2) | gum | -metrium (3) | mother | phrenic (2) | diaphragm | stroma (3) | coverlet |
| afferent (1) | toward carry | -cle (f) | little | glom- (3) | ball | micro- (f) | tiny | phyllo- (3) | leaf | sub- (f) | under |
| alantois (3) | sausage | clitoris (3) | key little | gloss- (3) | tongue | minora (3) | small | -physis (f) | grow process | sym- (f) | like, together |
| alar (2) | wing | coelum (2) | hollow | gonia (3) | sex organ | <i>mittel-</i> (3) | middle | plast- (f) | form | tachy- (1) | fast |
| albi- (3) | white | coli (2) | of the large intest. | gubem- (3) | rudder | molar (2) | grind | pleo- (3) | many | tactile (3) | touch |
| alveolus (2) | sack little | colon (2) | large intestine | ha- (3) | single | mons (3) | mountain | plica (2) | fold | taenia (2) | ribbon |
| amyl- (2) | starch | cornu (2) | horn | haustra (2) | pocket | morula (3) | mullberry | -ploid (3) | # sets of chromosomes | taxis (3) | move, arrange |
| ana- (3) | upward | corona (1) | crown | heli- (3) | coil | mul- (2) | milk | pneumo- (1) | air | theca (3) | husk |
| angitis (1) | vessel inflamed | corpus (3) | body | hepat- (2) | liver | myo- (1) | muscle | poly- (1) | many | thio- (3) | sulfur |
| aorta (1) | heaving | -creas (2) | secrete | hilus (2) | little thing | necro- (1) | dead | portal (1) | carry, gate | thorax (2) | chest |
| aplastic (1) | without formed | cricoid (2) | circle like | homo- (3) | same | nephri- (2) | kidney | pro- (f) | first | thrombo- (1) | clot |
| arcuate (3) | curved | cumulus (3) | piled up | humoral (1) | bodily fluid | nulli- (3) | without, never | procto- (2) | rectum | thyro- (3) | shield |
| arytenoid (2) | ladle like | cuspid (1) | bump | hy- (3) | U shaped | oblique (2) | at an angle | prostate (3) | before stand | -tion (1) | process, condition |
| -ase (2) | enzyme | cysto- (2) | chamber, bladder | hypo- (2) | below | -ogen (f) | gives rise to | pubis (3) | hairy | titer (3) | count, rank |
| asthma (2) | blow | de- (3) | remove | ileum (2) | twisted | -oid (3) | like | pubenda (3) | ashamed | titr- (1) | rank, count |
| athero- (1) | fatty | dent- (2) | tooth | in- (f) | within | omentum (2) | fat skin | pylor- (2) | gate keeper | toco- (3) | child birth |
| atrium (1) | entrance way | derm- (f) | skin | infarct (1) | stuffed | -on (3) | unit | pyr- (2) | fire | trabeculae (1) | beams little |
| atrophy (3) | without nourish | -deum (2) | a way | innominate(1) | without name | -one (3) | ketone | rectum (2) | straight | trachea (2) | pipe |
| auricle (1) | ear little | -didymus (3) | testis | insipidus (f) | tasteless | onto- (3) | being | ren- (3) | kidney | trigone (1) | triangle |
| azygous (1) | without joined | ductules (3) | carry little | -itis (f) | inflammation | oo- (3) | egg | rete (3) | network | tropho- (3) | nourish |
| baro- (1) | pressure | duodenum (2) | two and ten | jaundi- (2) | yellow | ophthalmia(f) | eye | retin- (2) | network | tunic (1) | cloak |
| bi- (f) | two | dys- (3) | improper | jejunum (2) | empty | orchi- (3) | testis | -rrhea (2) | to flow | uterus (3) | leather bag |
| bicuspid (2) | two bumps | effluent (1) | from carry | juxta- (3) | next to | oro- (2) | mouth | saphenous(1) | apparent | -uvic (2) | grape |
| -blastic (3) | immature | effete (1) | weakened | karyo- (1) | nucleus | os (3) | bone. mouth | <i>schmertz</i> (3) | pain | uvula (2) | grape, little |
| brachio- (1) | arm | embolus (1) | wedge | kin- (2) | activate, move | ovi- (3) | egg | sclero- (1) | hard, tough | vag- (3) | sheath |
| brady- (1) | slow | -emia (1) | blood | labia (3) | lips | oxy- (3) | sharp, acid | -scope (1) | examine | vas (3) | vessel |
| bronchus (2) | branch | emphysema (2) | inflated | lact- (3) | milk | pan- (2) | all | scorb- (3) | scurvy | vascular (1) | vessel little |
| calyx (2) | cup, flower | enter- (3) | intestine | leuko- (1) | white | papillary (1) | nipple little | semi- (1) | half | vasorum (2) | of the vessels |
| canis (2) | dog | epi- (f) | upon | lingual (2) | tongue | para- (f) | along side | septi- (1) | rotten, putrid | ventr- (1) | belly |
| -cardia (1) | heart | erg- (3) | work | lipase (2) | fat enzyme | parenteral (3) | beside intestine | septum (1) | fence | vermi- (2) | worm |
| -cardium (1) | heart | estrus (3) | heat | lith- (3) | stone | parietal (2) | wall | sigmoid (2) | "S" like | villus (2) | shaggy hair |
| carnae (1) | of flesh | falciform (2) | sickle shape | logos (3) | word, doctrine, | parotid (2) | alongside ear | sino- (1) | cavity | visceral (f) | body organs |
| cata- (f) | downward | -ferol (3) | bear alcohol | | science | path- (f) | suffer, disease | -sis (f) | process, condition | vulva (3) | wrapper, womb |
| celiac (1) | hollow, cavity | fimbria (3) | fingers | luna (1) | moon | pellucida (3) | through light | skat- (2) | feces | xero- (3) | dry |
| cephalic (1) | head | flagellum (3) | whip little | luteum (3) | yellow | pelvis (3) | basin | -some (f) | body | -zoon (3) | animal |
| cervix (3) | neck | flatus (2) | intestinal gas | lux (3) | light | peps- (2) | stomach | sperm (3) | seed | zygo (3) | join |
| cheil- (3) | lip | flav- (3) | yellow | lymph (1) | watery | pepsi (2) | stomach | sphygmo- (1) | pulse | | |
| chol- (2) | bile | frenulum (2) | bridle | lys- (1) | break, dissolve | perineum (3) | around anus | spir- (2) | breathe | | |
| chyle (1) | juice, flavor | fundus (f) | bottom | macro- (1) | large | peritoneum | around stretch | -stalsis (2) | squeeze process | | |
| chyme (2) | juice | gam- (3) | marry | mano- (1) | pressure | -phage (1) | eat | -state (3) | hold | | |
