

GENETICS STUDY GROUP REPORT

Date to be turned in: **Circle the appropriate date:** 24 Jan 2012 21 Feb 2012 6 Mar 2012

These are the responsibilities of the CHAIRPERSON (in order to earn the Chair's point):

- a) **List the group members in alphabetical order (same as numerical order of student number).**
- b) Record for each study period the group meets: **The date, start time, and at each conclusion, the end.**
- c) **At the end of each study session, gather signatures** of those students who have been present for the *entire* session. Indicate a student's partial attendance or absence with a zero in the block ("0").
- d) **Tally the points:** add together 3 points/session add 1 point if they attended all three sessions during the report period. Enter the total points earned in right hand column. Add one point to your (the chairperson's) tally. Note that this bonus point is *only* conferred if the report is fully and correctly filled out and submitted on time.
- e) **The chairperson should circle his/her name.**
- f) **Circle the date** on which the report is due. **Hand in** just before the test is administered.

 We, the undersigned students, *by way of adhering to the honor code*, do affirm by our signatures that the following is an honest record of persons who participated for the full time in each study session. Signed:
